Rockhampton – 1770 via Biloela

Departing Northside Plaza 7:00a.m.; PUMA George Street 7:15a.m.; Gracemere 7:30a.m. After travelling through Mt Morgan, we continue on to Biloela. Here we will visit Greycliffe Homestead and enjoy morning tea and a tour. Built circa 1863 onwards, Greycliffe is a heritage listed property. After this very interesting visit, we shall detour into the Callide Dam before continuing onto Calliope for lunch. You will be amazed at how much Calliope has grown from the sleepy little village it was not all that long ago to the busy township it is today. After a satisfying lunch, we re-board our coach for our trip into Agnes Water / 1770 and our resort accommodation.

Local Touring & Larc Experience

Today will be a day filled with excitement, relaxation and breathtaking scenery. We may be lucky to sight dolphins and turtles together with a variety of sea birds as we embark on a full day amphibious tour. It would be a good idea to wear covered shoes today, as we take a guided walk to the light station cemetery, a guided tour inside a historical operating lighthouse and an interpretative tour through lighthouse keepers' cottage. This will truly be a day not to be missed.

Coach travel, full day Larc Paradise tour (includes morning tea and lunch), Dinner, Bed.

Thursday 27th June 2019:

Return to Rockhampton

Before departing here this morning, we will ensure we have not missed anything (including a visit to the 1770 Distillery). On our homeward journey, we will detour into Tannum Sands, Boyne Island and Gladstone. Lunch will be enjoyed to day in one of the little water front eateries in Gladstone, before coming home through some of the "back tracks".
