After another hearty breakfast we board our coach, sit back and relax as we travel south to the Scenic Rim Robotic Dairy and 4 Real Milk situated at

Tamrookum on the Mt Lindesay Highway. Did you know that here at this dairy, their herd of dairy cattle can choose to have a back rub? You will have the opportunity this morning to witness the workings of this innovative dairy first hand and see how milk really comes from the cow all the way to the container. After this very informative visit you are sure to be a little hungry, so it is off to the R.S.L. Club in Beaudesert for lunch. A visit down this way would not be complete without a stop off in Mt Tambourine where you will be able to stretch your legs and indulge in some of the unique and special things on offer. All too soon it will be time to return to our accommodation.
